- Our summer Sunday Bible Study** is a series on *2 Corinthians*. The series will be taught by all the church staff on a rotating basis. We will grow in so many ways through it. There still were dicey issues in the church to deal with, as well as Paul's changing plans. There were financial obstacles to overcome and Paul had a personal obstacle with his thorn in the flesh. There were earthly fellowship ties to build and there was eternal heavenly confidence to give. It's a rich book that will richly bless. Join us weekly in the sanctuary. Child care will be available.
- Men's Crafts-Men Bible Study.** Our next study is on August 19th at 6:30 pm.
- Men's Early Bird Bible Study.** Our next study is this Friday July 23 at 6:00 am.

We are looking at having various classes for cars and trucks and one for motorcycles. *The registration link is now live on our website.* More info to come over the next months. Mark your calendar!
13. **Do you have board games**, card games, or decks of cards collecting dust and taking up precious closet space? If so, one of the FLEX periods this next school year is teaching strategy board and card games to our St. Paul's students grades 1st-8th, and we would be most grateful to receive donations for this. Games such as: Risk, Monopoly, Blokus, Sequence, Rook, Pit, Bananagrams, Scrabble, Settlers of Catan, Uno, Skip-Bo, Clue, Battleship, chess, decks of cards, etc. Please put any donations on desks in the 3-4th grade classroom, and if you have any questions please contact Sarah Mueller. Thank you very much!
14. **Our Quarterly Voter's Meeting** will be held on Sunday, July 25th following the 10:30 a.m. church service. Board and Committee reports will be shared, and we will vote on whether or not to pursue the proposed plan that Long Range Planning has been working on regarding our expansion project. Copies of the document that outlines the proposed plan were handed out after two recent June church services. They can also be picked up in the church office if you don't have one. It is important that as many voting members as possible are present for this meeting as this vote will help determine which direction we take as a congregation regarding expansion.
15. **Linda Hamann, thank you** - I wish to thank everyone who prayed for me during my medical problems. There were so many of you, some I may not even be aware of. To my church "family" all the cards, phone calls, and personal conversations on Sunday mornings have definitely helped to keep my spirits up and my

faith strong. A special “thank you” to MaryAnn Hahn for all the trips she took the time to make for me to get down to Froedtert Hospital for doctor meetings and surgeries. She has been my inspiration.

16. **New Christian Worship Hymnal:** Our church body, the Wisconsin Evangelical Lutheran Synod, has been developing a new hymnal, set to be released later this year. We have already pre-ordered copies for our sanctuary. If you would like to order copies for home use, you may sign up in the member room to be included in our congregation’s larger order.
17. **Synod Convention** takes place in Watertown, WI this year at Luther Prep. Pastor Mueller is an in person delegate to it and Chairs the Home Missions Floor Committee. Most delegates will attend from their own home and participate through their computer. About 75-100 people will be in person depending on their role. (This arrangement had to be decided upon six months ago). The purpose of the convention is to review WELS ministry over the past two years and set the course for ministry for the next two years. The convention opening service begins July 26.
