### Grow with Christ

#### Bible Studies, Worship, and more!

1. **Scandalous Stories:** Within the pages of Scripture are many stories that are obscure, dramatic...and just plain scandalous. There are no wasted details in the Bible...so why would these stories be included in the pages of Scripture? Next Sunday during Bible class, we will begin a new session on "*Scandalous Stories of Scripture*". You won't want to miss hearing and growing from these scandalous stories which are included in Scripture.
2. **AMMO Can Campaign:** This Veterans Day weekend, Lutheran Military Support Group (LMSG) is seeking donations in support of our military men, women and their families. By placing your gift in the AMMO can located on the kiosk, you are supporting the work of local congregations that are ministering to nearby military families. Questions? Visit [www.lutheranmilitary.org](http://www.lutheranmilitary.org). THANK YOU for standing shoulder to shoulder with those serving our nation!!
3. **WELS Online Teen Bible Study:** What's the hardest test you've ever been through? Maybe math or chemistry comes to mind, but you've likely been through tests much harder than that. Family problems, friend problems, personal disappointment, a death in the family—all these things can become extraordinary tests to our faith.

At a time in life when many questions, doubts, and fears can easily overwhelm you, it's important to stay connected to God and to fellow believers! Join us for another national online teen Bible study to learn how you can better "pass the tests" and walk by faith!! Join fellow WELS teens from around

the country for a special online Bible study November 10<sup>th</sup> at 6:00p (Central). The 1-hour Bible study will give opportunity to connect with other teens, study and discuss the Word, and apply it specifically to your teen lives today. Scan the QR Code to register.
