CHRIST LIGHT CONNECTION

Why, Lord? Why me? Why now? These questions can characterize a person who is doubting or defying God, but they can also characterize a person who is being drawn to follow God more fully and completely. In Jacob's case, God demonstrates clearly how he uses the troubles in a believer's life--even those resulting from our own sinful choices--to draw us more fully into a trusting relationship with him. These tough times drive us to the cross, to the Word and Altar, to our Baptism, to our knees in fervent prayer. God lifts us up.

Trust. That is a word we have been using a lot so far this year, especially in recent weeks. Trust means to lean on, to rely on, to put our life in the hands of our God. Is this scary to think about because we desire too much control of our own lives? Is it comforting because we know how loving our God is and how much we need him? May this second choice be more and more dominant in our hearts and minds as God leads us to trust him!

PARENT TEACHER CONFERENCES

Parent Teacher Conferences are scheduled for November 5th & November 6th. Conferences will be held in the evening that Thursday. Friday is an early dismissal day with conferences being held in the afternoon.

We ask that each family sign up for a conference by using our shared form below. Please find a day and time that fits your schedule and insert your last name into the block. We appreciate the chance to meet with you and discuss your child's progress.

FALL VOLLEYBALL CAMP

Did you miss out on summer sports camps? Looking for something exciting to do after school . . . besides homework? St. Paul's is having a fall volleyball camp for girls in grades 4-8. Come on out and develop your skills while having fun, too! This will be set up like a camp; it is not a St. Paul's team that will play other schools. We simply want to give the girls an opportunity to be active and build their skills. Camps will run from 3:45 - 5:15 on the following dates:

- Monday, October 19th
- Thursday, October 22nd
- Monday, October 26th
- Monday, November 2nd
- Thursday, November 5th

Our coaches will be Mrs. Brittany Bushman, Mrs. Lindsey Scheuer, and Mr. Dais. Please contact Mr. Dais with any question.

SCHOOL SAFETY DRILLS

St. Paul's School completed its second round of safety drills today. Today's drills included a high-priority lockdown as well as a practice evacuation. The students did a terrific job!

Safety is a top priority for our school. Our plans are developed with the assistance of local law enforcement and approved by the state. We continually reevaluate our safety plans to ensure best practice. Please contact Principal Marohn with any questions you might have regarding school safety procedures.

PARENTING BIBLE STUDY

Parenting Bible Study: Tuesdays @ 6:30

If you aren't able to attend the Bible study in person but would like to access it online, the Bible studies will be live streamed. They can also be viewed later at these same live-stream links.

CHILDREN'S CHRISTMAS SERVICE

Children (ages 4K-8th grade) from our church/school/Sunday school have a longstanding tradition of presenting the birth of Jesus in a special children's Christmas service. Due to COVID, plans for this year's children's Christmas service are unique, but we are excited to try something new! We will have three services in the sanctuary to accommodate plenty of seating. Videos of all children's recitations/narrations will be recorded PRIOR to the date and will be incorporated into the service. Your children will NOT need to present anything during the service but can enjoy Worship with their families.

Please fill out [this participation form](#) by Monday, November 2.

Planning for the service is underway, and we truly hope that your child(ren) will be able to participate in our St. Paul's Christmas service this year! More information, including what your child will need to record and also recording dates/times will come in November.

Forward any questions regarding the service to Luther Curia: luther.curia@stpaulshowardsgrove.org

PARENT PRESENTATION

Protecting our Kids - The world can be a scary place. We recognize that we can't shield our kids from all harm, but we actively pray that we are able to use the resources available to us to help prevent spiritually and physically dangerous interactions. All parents are invited Thursday, November 12 from 6:30-8pm for a discussion on topics including sexting, internet crimes and safety, and trafficking, presented by Beth Heilman, CPS Intake Social Worker at Sheboygan County Health and Sheboygan District Attorney Joel Urmanski. Contact Beth Heilman at bethels_2000@yahoo.com with any questions. (Kids 7th grade and older welcome to attend).
