CHRIST LIGHT CONNECTION

Why is Joseph a slave in Egypt at the start of Genesis chapter 39? Because Joseph's brothers have been unfaithful -- they have betrayed him by mugging him, stripping him, selling him into slavery. And to add to their deceit, Joseph's brothers take Joseph's clothes and present them as false witness to their father, saying that Joseph is dead.

Why is Joseph in prison at the end of chapter 39 -- even though he has caused Potiphar and his house to thrive? Because Potiphar's wife has been unfaithful -- she betrayed her husband's trust, and then betrayed Joseph when he denied her.

Why is Joseph still in prison at the end of chapter 40 -- even though the chief jailer entrusted all of the other prisoners to Joseph's care? Because the cupbearer, whom Joseph saw would be freed from prison, was unfaithful to Joseph: "the chief cupbearer did not remember Joseph, but forgot him."

God's presence with those in suffering and the way God works almost never seems fast enough for those who are suffering. The psalm writers usually scream, "HOW LONG, O LORD!?" But nevertheless, the biblical promise is that God meets us in our suffering. And God does not leave us there. God meets us in suffering and moves us to what one psalmist called more "pleasant places" (16:6). And in the process, God will bless others through us.

ART TO REMEMBER

St. Paul's School is participating in the program - Art to Remember. This is an organization that takes student artwork and prints it on all kinds of keepsakes: coffee cups, key chains, phone covers, coasters, shirts, tote bags, etc.

We decided to involve students in Art to Remember when we realized that we were not going to be able to host our traditional Grandparents Day. We are disappointed that we will not be able to have our special guests this year. However, we wanted them to know that we are still thinking of them. If they can't come to us . . . we will send something to them!

There are 5 steps involved:

- 1) Students create artwork at school
- 2) We ship the artwork to Art to Remember
- 3) Parents receive an order form and code to place orders online
- 4) Orders are delivered to school
- 5) Families distribute keepsakes to grandparents and loved ones

Parents can also order items for themselves. We will be having students complete more than one image. There will be an image for grandparents, and an image for parents and other loved ones. Our timeline will have keepsake items arriving in mid-December for Christmas gifts.

FALL VOLLEYBALL CAMP

Did you miss out on summer sports camps? Looking for something exciting to do after school . . . besides homework? St. Paul's is having a fall volleyball camp for girls in grades 4-8. Come on out and develop your skills while having fun, too! This will be set up like a camp; it is not a St. Paul's team that will play other schools. We simply want to give the girls an opportunity to be active and build their skills. Camps will run from 3:45 - 5:15 on the following dates:

- Monday, October 19th
- Thursday, October 22nd
- Monday, October 26th
- Monday, November 2nd
- Thursday, November 5th

Our coaches will be Mrs. Brittany Bushman, Mrs. Lindsey Scheuer, and Mr. Dais. Please contact Mr. Dais with any question.

FLEX PERIODS

We are excited to be bringing back our FLEX period to Wednesday afternoons. FLEX periods will resume beginning the first Wednesday of our 2nd Quarter - November 4th.

FLEX periods offer students an opportunity to develop communication, cooperation, and collaboration skills in a nontraditional classroom setting. These are also subjects that offer hands on and often valuable life skills. This year's FLEX periods and schedule are included below.

CHILDREN'S CHRISTMAS SERVICE

Children (ages 4K-8th grade) from our church/school/Sunday school have a longstanding tradition of presenting the birth of Jesus in a special children's Christmas service. Due to COVID, plans for this year's children's Christmas service are unique, but we are excited to try something new! We will have three services in the sanctuary to accommodate plenty of seating. Videos of all children's recitations/narrations will be recorded PRIOR to the date and will be incorporated into the service. Your children will NOT need to present anything during the service but can enjoy Worship with their families.

Please fill out [this participation form](#) by Monday, November 2.

Planning for the service is underway, and we truly hope that your child(ren) will be able to participate in our St. Paul's Christmas service this year! More information, including what your child will need to record and also recording dates/times will come in November.

Forward any questions regarding the service to Luther Curia: luther.curia@stpaulshowardsgrove.org

Protecting our Kids - The world can be a scary place. We recognize that we can't shield our kids from all harm, but we actively pray that we are able to use the resources available to us to help prevent spiritually and physically dangerous interactions.
