### **CHRIST LIGHT CONNECTION**

Our world is not the way it is supposed to be. The goodness of God's creation has been lost due to sin. This goes back all the way to the first two people, Adam and Eve. Adam and Eve fell into sin as they were deceived by Satan. That sin has impacted mankind and all of creation ever since. In addition, Satan still works to deceive us each and every day.

As sad as the fall into sin was; it was overshadowed by the tremendous response of love from our God. God continued to love Adam and Eve despite their disobedience. He made them a promise that He would one day rescue them from the mess they had made. He would rescue not only them, but all of their descendants . . . all of mankind.

God did in fact keep His promise, as He always does. He sent His Son, Jesus, to redeem us from sin. We now live in complete peace with God. Jesus took away our sins and nailed them to the cross. They were buried with him. They are gone forever. We are forgiven. Heaven is surely ours!

As we learn of the fall in our Bible stories this week, we are led to repentance for our own disobedience. We confess our sins and take them to Jesus. We also trust that our sins are forgiven! We respond with joy and thankfulness. We respond with love for our God who first loved us.

**COMMUNICATION TEST**

This Thursday afternoon St. Paul's will be testing its communication system through TADS. We use TADS for announcements or urgent messages. Examples of TADS communications might include invitations, reminders, cancellations or snow day school closures. You should receive a phone call, text, or email from St. Paul's this Thursday. By default, we contact all of the communication options listed in your parent account. Parents have the ability to change settings so communications are only sent to preferred contact info (e.g. only text or email). Please notify the office if for some reason you do not receive a communication on Thursday. Thanks!

**BOOKMOBILE**

The bookmobile will be making its first visit to St. Paul's this Thursday. Students from each grade level will have opportunity to tour the bookmobile and select something they might enjoy reading.

**AFTER CARE AND BUSING SIGN-UP**

Now that we are in full swing with both busing and aftercare, we will begin to send out sign-up forms each Friday. These sign-ups will be sent out digitally from the office. Let us know if your child will be attending after care during the following week or riding the bus. This helps us with planning and end of day dismissal.

Please note, your child(ren) may use after care any day . . . even if you have not signed up.

**SCRIP - KWIK TRIP**

It is SCRIP-tember! During the month of September Kwik Trip will be doubling their contributions from 5% to 10% for all Kwik Trip Scrip used. You may stop in the school office and purchase scrip if you are interested!

**SCHOOL PICTURE DAY**

School picture orders were sent home this week with your child(ren). Plan your haircuts and wardrobe rotation accordingly!

Please take a look at the order forms for details. Forms are due back on picture day. However, your child may bring the form back to his/her classroom teacher for safe keeping until then:)

**Friday, September 11th.**

**1ST SEMESTER MISSION OFFERINGS**

Our first semester mission offerings are being collected to support Our Savior Lutheran School in Peridot, AZ. This is a part of the Apache Mission work that our synod has been doing for over 125 years!

Fun Fact: Mr. Johnson served at Our Savior in Arizona and Mrs. Johnson regularly substitute taught there.

Mission offerings are collected on Wednesdays. However, the procedures are a bit different without morning worship in the sanctuary. We are asking students to drop off envelopes at the school entrance. There is a jar for envelopes. Parents may also pick up an envelope and make a contribution. Thanks for helping support God's work being done in the Apache mission field!

**HOT LUNCH MENU**

Please see the hot lunch menu for the month of September in the below link.
