### CHRIST LIGHT CONNECTION

A son! At long last, Abraham and Sarah see the miraculous fulfillment of God's promise. A test! God commands that Abraham sacrifice the promised son to the LORD. Whom does Abraham love more--his son or his LORD who gave him that son? And this was the son who was to produce descendants too numerous to count and through whom the Savior was to come!

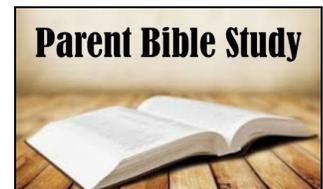

The New Testament gives us a view into Abraham's trust. He knew with certainty God's promises would prevail despite the apparent conflict. He reasoned God would raise Isaac from the dead if necessary in order to fulfill his promises. God saw that Abraham loved him more than Isaac and preserved Isaac's life.

How much does God love us that he gave his son to save us? He did not spare Jesus. Instead, Jesus was sacrificed for our sins and for our salvation.

### PARENTING BIBLE STUDY

Our highly anticipated parenting Bible classes are here. Join us tonight for our parent Bible study, "It Starts at Home"! In six sessions, we will explore biblical and tangible ways that parents, couples, single parents, blended families, and grandparents can build a legacy of faith for their children. Each session includes parenting experts who provide powerful teaching that will help you give your kids what they need to build a solid framework for lifelong faith.

**Parenting Bible Study: Tuesdays @ 6:30 (September 29-November 3)**

**MIDTERM**

Monday of this week marked the midterm of our first quarter. It is hard to believe we are half-way through our first grading period and an eighth of the way through our school year.

Please be sure to check your TADS account and keep up on your child(ren)'s grades. Contact your child's classroom teacher if you have any questions. Thanks for your partnership in Christian education!

**... HELPERS NEEDED AS WELL**

Parents! Our upcoming Urban Artique event is sure to be a great time for the whole family. We are looking for individuals who would like to get involved in helping with the kid project. Adult volunteers will work with the kids to walk through the steps to make a great take home project. ([Take a look at what they're making!](#)) Adult guidance will result in some really successful projects! If you're interested in some hands on assistance to help registered kids with how to build these projects, please let Luther Curia know by 10/25.

**FAMILY PICTURE BOARD**

We are so proud of our school families that we want to display them all! Not only do we enjoy showing off each of our families; the family board is a great way to learn names and faces of our extended school family

Can we please display your family picture? If so, please email a digital copy to the school office. We will take care of the rest. If you would prefer to use your picture from last year, just let us know. We are happy to reprint and display. Pictures can be updated at any time. Thanks!

**FAMILY DEVOTION MATERIALS**

"Let the word of Christ dwell in you richly, as you teach and admonish one another with all wisdom, singing psalms, hymns, and spiritual songs, with gratitude in your hearts to God."  
 ~Colossians 3:16

For the next few weeks we will be publishing devotional materials that can be used on a personal or family level. Here is this week's suggestion!

FAMILY DEVOTIONS - [CLICK HERE](#) - Produced by WELS

These devotions are terrific for the whole family. Devotions are very well done and written at a level for children. Yet, they are still very effective with teens and adults.

- Published every Monday, Wednesday, and Friday
- Discussion questions for young children, school age children, and teens.
- A prayer included.
- Press and play the audio. Parents can sit back and listen along with the children.
- Each devotion is 4-5 minutes long.

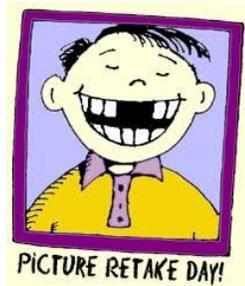

**BOOKMOBILE**

The Bookmobile returns to St. Paul's School this coming Thursday. Don't forget to bring materials that need returning. Be ready to check out some terrific books!

**PICTURE RETAKES**

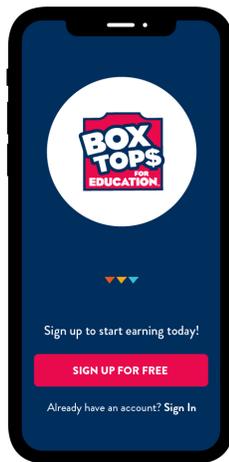

School pictures should have been sent home late last week. Picture retake date is set for Monday, October 12th. Please contact the school office if you have any questions about the pictures you received or how to go about getting retakes. Thank you!

**BOX TOPS FOR EDUCATION**

It is now easier than ever to earn cash back for St. Paul's Lutheran School. Box Tops for Education has introduced an app that allows you to scan your receipt and immediately benefit your school. You no longer need to cut out box tops labels and bring them into school. Here is how it works.

- 1) Download the app on your phone.
- 2) Select St. Paul's Lutheran School as the recipient of your box tops rewards.
- 3) After purchasing items that have box tops rewards, scan your receipt within 14 days of your purchase.
- 4) Earn rewards for your school immediately.

It only takes a couple of minutes to download the app and register your school. This program has a history of great benefits. Thanks for taking the time to help St. Paul's earn Box Tops Rewards!

**PARENT TEACHER FRIENDSHIP**

Thanks to all who attended our first PTF meeting of the year. It was great to see so many school families.

If you would like to get involved with event planning, please reach out to PTF chair, Alycia Cameron, or Principal Marohn.
