MEN'S BIBLE STUDY

When we think about Christmas we think about Jesus. But what about Joseph? His betrothal to Mary-whom he rather abruptly discovers is pregnant-is only the first challenge he faces as the foster-father of the the Messiah of the world. Learn more about the life of this remarkable man in Joseph: Carpenter of Steel. This study is sure to make you think more deeply this coming Christmas. Join us in the Harvest Room Thursday evenings at 6:30 - October 19 & 26; November 2 & 16. Snacks will be provided. Contact Luther Curia with any questions: luther.curia@stpaulshowardsgrove.org; 920.287.8575.

FIRE SAFETY PRESENTATION

The week of October 9th is Fire Safety Week. The Howards Grove Fire Department will be speaking with our 3K - 4th grade classes and taking them through four response stations on Wednesday October 11th. This is also a great time to speak with your students about fire prevention and safety. Communicate and practice your family exit plan and meeting place!

CHRISTMAS AT ST. PAUL'S REGISTRATION

We are excited to once again present "Christmas at St. Paul's" this year on Sunday, December 17. Service times will be at 8:00 (1st-8th grade) & 10:30 (3K-8th grade) with activities and snacks between services in the Sunday School rooms. The services will be in our gymnasium again to provide more seating and a larger-scale Christmas Worship event that you can invite your friends and loved ones to attend. It will be a multi-generational service, incorporating our children, St. Paul's adult choir, small groups of singers, and many instrumentalists -- all presenting the most amazing and beautiful piece of our world's history: the birth of our Savior, Jesus. We truly hope that your child(ren) will be able to participate in our St. Paul's Christmas service this year.

Registration for the service is extended till Friday, October 13. This allows us to have finalized service materials in time for adequate preparation. Late registration unfortunately won't be allowed.

Please forward any questions regarding the service to Luther Curia: luther.curia@stpaulshowardsgrove.org

TEMPORARY OUTDOOR PLAY AREA

The children of our school haven't had any outdoor play equipment since the construction began on the new addition. We are currently waiting to reinstall the playground equipment until we have a good idea for how our building is best used now and in the future.

We are planning to install a temporary outdoor play area. It will be a 10'x10' area featuring monkey bars, chin up bars, and a balance beam. It will help with outdoor play time as well as muscle development for the children of St. Paul's School. We are looking for volunteers to assist with installation.

Several items like playground mulch, lumber, and hardware will need to be purchased. If you would be willing to help in any way with the purchase of these items please let us know.

When: We will install Sunday 10/15 at 12:30pm

Where: Meet at St. Paul's by the garage
