## Verse of the Day!

MAY THE LORD MAKE YOUR LOVE INCREASE AND  
OVERFLOW FOR EACH OTHER AND FOR EVERYONE  
ELSE, JUST AS OURS DOES FOR YOU.  
1 THESSALONIANS 3:12

## CHRIST LIGHT CONNECTION

In this weeks' Christ Light we hear Jesus talk about the faith of a woman. But she was not an ordinary Israelite woman. She was a Canaanite, a foreigner from a different place. She came to see Jesus and asked him to help her daughter who was suffering. At first, Jesus tested her. He said that he came just for his own people, the Israelites. But the woman responded in true faith. She said that even the leftovers, even a little bit of grace, would be more than enough for her.

Jesus was so pleased. The woman understood that he came to be the Savior not just for the Israelites, but for the whole world. She understood that Jesus was her Savior. To prove this to her, Jesus showed his mighty power and healed her daughter right away.

Sometimes we get so busy in our lives that we forget there are other people out there in the world—people outside of our neighborhood, people who don't look like us or talk like us, people outside of our country in very different places around the world. This story today is a wonderful reminder that Jesus is Savior of all.

## CALLING ALL PARENTS! (OR GRANDPARENTS)

The school musical may seem a long way off, but it will be here before we know it! This year, grades 1-4 will be performing "E-I-E-I-Oops!" on May 11. You may have guessed from the title, there will be some farmers and several farm animal characters. Help is needed for costuming all these students. If you would be interested in helping plan and make costumes for our cast, please contact Mrs. Johnson by February 17. Thank you in advance for your help!

## SOCIAL STUDIES FAIR

March 2nd is quickly approaching! Grades 1-8 will be participating in a Social Studies Fair this year. Grades 1-2 will be comparing life now to life a hundred years ago. Mrs. Johnson's students will be working in their classroom and she will communicate with you as needed. Third and fourth grade will be working on early European explorers. They will work in groups in class. Grades 5-8 will be making tri-fold boards on early civilizations/twentieth century presidents. Look for an email from Mr. Dais with more details.

## PTF PIZZA FUNDRAISER!

**THANK YOU** to everyone who helped with Pizza Assembly Day on Saturday! We had an amazing volunteer turn-out and made 3,200 pizzas in record time. Since the students and their families did such a great job selling pizzas this year, PTF will be providing a Pizza Party for ALL students in March

Join us at PTF tonight to find out how much money we raised!

## FORENSICS TIME!

Hello again, parents of our 5-8th graders! By now your child should have selected a category that appeals to them. It is time for them to choose an appropriate piece or write one. The piece should be chosen or written by Friday, February 24. Please make sure your child has the piece at school on **Monday, February 27** so that they can show their teacher and start to practice the piece on their own. The first of the five practices where they will present to adult helpers will be during school on Thursday, March 9th (2:30- 3:15.) The actual forensics night is Thursday, March 30, 6:30- 8:30pm. Thank you for your help!
